

## *RALLY FOR A CURE*

The 18 and 9 hole ladies are combining forces for the Susan G. Komen Rally for the Cure. Last year the two groups raised almost \$17,000. We hope to have even greater success by enlisting the support of all of our TMCC members as well as the Meadows Community.

The primary fund raiser is a raffle for a new 42" Panasonic Plasma TV. Tickets are 3 for \$5.00. Tickets can be purchased by event co-chairs Kathy Brostrom 377-4616 and Hannah Weinberg 379-4256 and raffle chairs Lea Hardman 377-3251 and Phyllis McIlraith 371-6890. Many of the 18 and 9 hole ladies also have tickets to sell. The raffle will be on Feb. 16 – you need not be present to win.

There is also a Walk for the Cure on Saturday, February 6 leaving from the Dickens at 9 am. No need to pre-register – just sign up at the Dickens at 8:30 am and bring a nominal \$5.00 registration fee. You can walk either one or three miles.

The ladies are playing in a golf tournament on February 16. All members of the 2 LGA groups are encouraged to play and sign-ups are in the locker room. Past LGA members are invited to come for the luncheon and that sign up is also in the locker room. Hole sponsorships for individuals, businesses, bridge groups, neighborhoods, etc. are available for \$100, \$200 and \$300. Call Karla Kovacic to sponsor a hole.

Additionally, there is a 50/50 box in the locker room and the winner keeps half of the donations. Drawings are held weekly.

Each year 192,000 women and many men in America are diagnosed with breast cancer. The LGA is proud to be supporting the Susan G. Komen Foundation and thanks the membership for your financial participation in this very worthy cause.
